April 29, 2024

To Our Stockholders:

You are cordially invited to attend the 2024 annual meeting of stockholders of Acurx Pharmaceuticals, Inc. (“Acurx” or the “Company”) to be held at 10:00 a.m. EST on Monday, June 17, 2024. We have decided to hold this year’s annual meeting virtually via live audio webcast on the internet. We believe hosting a virtual annual meeting enables greater stockholder attendance and participation from any location around the world, improves meeting efficiency and our ability to communicate effectively with our stockholders and reduces the cost and environmental impact of our annual meeting. You will be able to attend the annual meeting, vote and submit your questions during the annual meeting by visiting www.virtualshareholdermeeting.com/ACXP2024. You will not be able to attend the annual meeting in person.

Details regarding the meeting, the business to be conducted at the meeting and information about Acurx that you should consider when you vote your shares are described in the accompanying proxy statement.

At the annual meeting, three (3) persons will be elected to our board of directors as Class III directors. In addition, we will ask stockholders to ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2024. Our board of directors recommends the approval of each of these proposals. Such other business will be transacted as may properly come before the annual meeting.

Under Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders over the Internet, we have elected to deliver our proxy materials to certain of our stockholders over the Internet. This delivery process allows us to provide stockholders with the information they need, while at the same time conserving natural resources and lowering the cost of delivery. On or about May 2, 2024 we intend to begin sending to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our proxy statement for our 2024 Annual Meeting of Stockholders and our 2023 annual report to stockholders. The Notice also provides instructions on how to vote online or by telephone, how to access the virtual annual meeting and how to receive a paper copy of the proxy materials by mail.

We hope you will be able to attend the annual meeting. Whether or not you plan to attend the annual meeting, we hope you will vote promptly. Information about voting methods is set forth in the accompanying proxy statement.

Thank you for your continued support of Acurx. We look forward to seeing you at the annual meeting.

Sincerely,

David P. Luci
President & Chief Executive Officer

On or about May 2, 2024, we intend to begin sending to our stockholders the Important Notice Regarding the Availability of Proxy Materials containing instructions on how to access our proxy statement for our 2024 annual meeting of stockholders and our 2023 annual report to stockholders.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING**Why is the Company Soliciting My Proxy?**

Our board of directors is soliciting your proxy to vote at the 2024 annual meeting of stockholders to be held virtually via live webcast, on Monday, June 17, 2024, at 10:00 a.m. EST and any adjournments or postponements of the meeting, which we refer to as the annual meeting. This proxy statement, along with the accompanying Notice of Annual Meeting of Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

We have made available to you on the Internet or have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, because you owned shares of our common stock on April 26, 2024 (the “record date”). We intend to commence distribution of the Important Notice Regarding the Availability of Proxy Materials, which we refer to throughout this proxy statement as the Notice, and, if applicable, proxy materials to stockholders on or about May 2, 2024.

Why Did I Receive a Notice in the Mail Regarding the Internet Availability of Proxy Materials Instead of a Full Set of Proxy Materials?

As permitted by the rules of the U.S. Securities and Exchange Commission, (the “SEC”), we may furnish our proxy materials to our stockholders by providing access to such documents on the Internet, rather than mailing printed copies of these materials to each stockholder. Most stockholders will not receive printed copies of the proxy materials unless they request them. We believe that this process should expedite stockholders’ receipt of proxy materials, lower the costs of the annual meeting and help to conserve natural resources. If you received the Notice by mail or electronically, you will not receive a printed or email copy of the proxy materials, unless you request one by following the instructions included in the Notice. Instead, the Notice instructs you as to how you may access and review all of the proxy materials and submit your proxy on the Internet. If you requested a paper copy of the proxy materials, you may authorize the voting of your shares by following the instructions on the proxy card, in addition to the other methods of voting described in this proxy statement.

Why Are You Holding a Virtual Annual Meeting?

Due to the continuing public health impact of COVID-19 and to support the health and well-being of our stockholders, this year’s annual meeting will be held in a virtual meeting format only. We have designed our virtual format to enhance, rather than constrain, stockholder access, participation and communication. For example, the virtual format allows stockholders to communicate with us in advance of, and during, the annual meeting so they can ask questions of our board of directors or management, as time permits.

How do I access the Virtual Annual Meeting?

To be admitted to the virtual Annual Meeting, you will need to log-in at www.virtualshareholdermeeting.com/ACXP2024 using the 16-digit control number found on the proxy card or voting instruction card previously mailed or made available to stockholders entitled to vote at the Annual Meeting. The live audio webcast of the Annual Meeting will begin promptly at 10:00 a.m. EST. Online access to the audio webcast will open 15 minutes prior to the start of the Annual Meeting to allow time for you to log-in and test your device’s audio system. The virtual Annual Meeting is running the most updated version of the applicable software and plugins. You should ensure you have a strong Internet connection wherever you intend to participate in the Annual Meeting. You should also allow plenty of time to log in and ensure that you can hear streaming audio prior to the start of the Annual Meeting.

Will I be able to ask questions during the Virtual Annual Meeting?

You may submit questions for the Annual Meeting after logging in. If you wish to submit a question, you may do so by logging into the virtual meeting platform at www.virtualshareholdermeeting.com/ACXP2024, typing your question into the “Ask a Question” field, and clicking “Submit.” Please submit any questions before the start time of the meeting.

Appropriate questions related to the business of the Annual Meeting (the proposals being voted on) will be answered during the Annual Meeting, subject to time constraints. Any such questions that cannot be answered during the Annual Meeting due to time constraints will be posted and answered in the “Investors” section of our website at www.acurxpharma.com as soon as practical after the Annual Meeting. Additional information regarding the ability of stockholders to ask questions during the Annual Meeting, related to rules of conduct and other materials for the Annual Meeting will be available at www.virtualshareholdermeeting.com/ACXP2024.

What Happens if There Are Technical Difficulties during the Annual Meeting?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual annual meeting, voting at the annual meeting or submitting questions at the annual meeting. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the Virtual Shareholder Meeting log-in page.

Who May Vote?

Only stockholders of record at the close of business on April 26, 2024 will be entitled to vote at the annual meeting. On this record date, there were 15,823,102 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

If on April 26, 2024, your shares of our common stock were registered directly in your name with our transfer agent, VStock Transfer, LLC, then you are a stockholder of record.

If on April 26, 2024, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares at the annual meeting unless you request and obtain a valid proxy from your broker or other agent.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the annual meeting and not revoked prior to the annual meeting, will be voted at the annual meeting. For instructions on how to change or revoke your proxy, see “*May I Change or Revoke My Proxy?*” below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via the Internet or telephone. You may specify whether your shares should be voted FOR or WITHHELD for each nominee for director, and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with our board of directors’ recommendations as noted below. Voting by proxy will not affect your right to attend the annual meeting.

If your shares are registered directly in your name through our stock transfer agent, VStock Transfer, LLC, or you have stock certificates registered in your name, you may vote:

- **By Internet or by telephone** Follow the instructions included in the Notice or, if you received printed materials, in the proxy card to vote over the Internet or by telephone.

- **By mail.** If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with our board of directors' recommendations as noted below.
- **At the time of the virtual meeting.** If you attend the virtual meeting, you may vote your shares online at the time of the meeting. You may vote your shares electronically through the portal at the virtual annual meeting (if you satisfy the admission requirements, as described below). Even if you plan to attend the annual meeting virtually, we encourage you to vote in advance by telephone, through the internet or by mail so that your vote will be counted in the event you later decide not to attend.

The annual meeting will be a virtual meeting of stockholders conducted via a live audio webcast that provides stockholders the same rights and opportunities to participate as they would have at an in-person meeting. We believe that a virtual meeting will provide expanded stockholder access and participation and improved communications. You will be able to vote your shares electronically at the virtual meeting. To attend and submit your questions during the virtual meeting, please visit www.virtualshareholdermeeting.com/ACXP2024. To participate and vote during the annual meeting, you will need the 16-digit control number included on your Notice or on your proxy card. Beneficial stockholders who do not have a control number may gain access to and vote at the meeting by logging into their broker, brokerage firm, bank or other nominee's website and selecting the stockholders communications mailbox to access the meeting; instructions should also be provided on the voting instruction card provided by your broker, bank or other nominee. If you encounter any difficulties accessing the virtual meeting during check-in or the meeting, please call the technical support number that will be posted on the virtual shareholder meeting log-in page.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. EST on June 16, 2024.

If your shares are held in "street name" (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the virtual annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and vote your shares online at the time of the meeting.

How Does Our Board of Directors Recommend that I Vote on the Proposals?

Our board of directors recommends that you vote as follows:

- **"FOR"** the election of the nominees for director; and
- **"FOR"** the ratification of the appointment of CohnReznick LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2024.

If any other matter is presented at the annual meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with the proxy holder's best judgment. At the time this proxy statement was first made available, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the annual meeting. You may change or revoke your proxy in any one of the following ways:

- if you received a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;
- by re-voting by Internet or by telephone as instructed above;

- by notifying Acurx’s Secretary/Clerk in writing before the annual meeting that you have revoked your proxy; or
- by attending the annual meeting and voting at the meeting. Attending the annual meeting will not in and of itself revoke a previously submitted proxy. You must specifically request at the annual meeting that it be revoked.

Your most current vote, whether by telephone, Internet or proxy card is the one that will be counted.

What if I Receive More Than One Notice or Proxy Card?

You may receive more than one Notice or proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How Do I Vote?” If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your unvoted shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 2 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the annual meeting and in the manner you desire. A “broker non-vote” will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of the directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Appointment of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for 2024, our Audit Committee of our board of directors will reconsider its selection.

Where Can I Find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the annual meeting, and we will publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the annual meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

We have engaged Broadridge Investor Solutions, LLC (“Broadridge”) to act as our proxy solicitor in connection with the proposals to be acted upon at our annual meeting. Pursuant to our agreement with Broadridge, Broadridge will, among other things, provide advice regarding proxy solicitation issues and solicit proxies from our stockholders on our behalf in connection with the annual meeting. For these services, we will pay a fee of approximately \$15,000 plus expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of our common stock entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. Votes of stockholders of record who are present at the annual meeting in person or by proxy, abstentions and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

This year, our Annual Meeting will be held in a virtual meeting format only, at 10:00 a.m. EST on Monday, June 17, 2024. To attend the virtual Annual Meeting, go to www.virtualshareholdermeeting.com/ACXP2024 shortly before the meeting time, and follow the instructions for downloading the Webcast. If you miss the annual meeting, you can view a replay of the Webcast at www.virtualshareholdermeeting.com/ACXP2024 until August 16, 2024. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

Some brokers or other nominee record holders may be sending you, a single set of our proxy materials if multiple Acurx stockholders live in your household. This practice, which has been approved by the SEC, is called “householding.” Once you receive notice from your broker or other nominee record holder that it will be “householding” our proxy materials, the practice will continue until you are otherwise notified or until you notify them that you no longer want to participate in the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

We will promptly deliver a separate copy of our Notice or if applicable, our proxy materials to you if you write or call our corporate secretary at 259 Liberty Avenue, Staten Island, NY 10305 or (917) 533-1469. If you want to receive your own set of our proxy materials in the future or, if you share an address with another stockholder and together both of you would like to receive only a single set of proxy materials, you should contact your broker or other nominee record holder directly or you may contact us at the above address and phone number.

Electronic Delivery of Company Stockholder Communications

Most stockholders can elect to view or receive copies of future proxy materials over the Internet instead of receiving paper copies in the mail.

You can choose this option and save us the cost of producing and mailing these documents by:

- following the instructions provided on your Notice or proxy card;
- following the instructions provided when you vote over the Internet; or
- going to www.virtualshareholdermeeting.com/ACXP2024 and following the instructions provided.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 26, 2024, for (a) the executive officers named in the Summary Compensation Table on page 17 of this proxy statement, (b) each of our directors, (c) all of our current directors and executive officers as a group and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. We deem shares of common stock that may be acquired by an individual or group within 60 days of April 26, 2024, pursuant to the exercise of options or warrants to be outstanding for the purpose of computing the percentage ownership of such individual or group, but those shares are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Percentage of ownership is based on 15,823,102 shares of common stock outstanding on April 26, 2024.

MANAGEMENT AND CORPORATE GOVERNANCE

Our Board of Directors

Our bylaws (the “Bylaws”) and our certificate of incorporation (the “Certificate of Incorporation”), provide that our business is to be managed by or under the direction of our board of directors. Our board of directors is divided into three classes for purposes of election. One class is elected at each annual meeting of stockholders to serve for a three-year term. Our board of directors currently consists of seven (7) members, classified into three (3) classes as follows: (1) Mr. Robert J. DeLuccia, Mr. Joseph C. Scodari and Mr. James Donohue constitute Class III, with a term ending at the 2024 annual meeting; (2) Mr. Carl V. Committees of our Board of Directors and Meetings***Meeting Attendance.***

During the fiscal year ended December 31, 2023, there were nine meetings of our board of directors, and the various committees of our board of directors met a total of five times. No director attended fewer than 75% of the total number of meetings of our board of directors and of committees of our board of directors on which he or she served during the fiscal year ended December 31, 2023. Our board of directors has adopted a policy under which each member of our board of directors makes every effort to attend each annual meeting of our stockholders.

Audit Committee.

Our Audit Committee met four times during the year ended December 31, 2023. This committee currently has three members, James Donohue (Chair), Joseph C. Scodari and Thomas Harrison. Our Audit Committee's role and responsibilities are set forth in the Audit Committee's written charter and include the authority to retain and terminate the services of our independent registered public accounting firm. In addition, the Audit Committee reviews annual financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. All members of the Audit Committee satisfy the current independence standards promulgated by the SEC and by The Nasdaq Stock Market, as such standards apply specifically to members of audit committees. Our board of directors has determined that each of James Donohue, Joseph C. Scodari and Thomas Harrison is an "audit committee financial expert," as the SEC has defined that term in Item 407 of Regulation S-K. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

A copy of the Audit Committee's written charter is publicly available on our website at www.acurxpharma.com.

Compensation Committee.

Our Compensation Committee met one time during the year ended December 31, 2023. This committee currently has three members, Joseph C. Scodari (Chair), Thomas Harrison and Carl V. Sailer. Our Compensation Committee's role and responsibilities are set forth in the Compensation Committee's written charter and includes reviewing, approving and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of our board of directors are carried out and that such policies, practices and procedures contribute to our success. Our Compensation Committee also administers our 2021 Equity Incentive Plan. The Compensation Committee is responsible for the determination of the compensation of our chief executive officer and shall conduct its decision making process with respect to that issue without the chief executive officer present. All members of the Compensation Committee qualify as independent under the definition promulgated by The Nasdaq Stock Market.

Our Compensation Committee has adopted processes and procedures for determining executive and director compensation. Generally, our Compensation Committee evaluates and approves our compensation practices for the current year and determines compensation levels. The Compensation Committee annually evaluates the Chief Executive Officer's performance in light of relevant corporate goals and objectives, and approves, or recommends to the board of directors for approval, the Chief Executive Officer's compensation. For executives other than the Chief Executive Officer, our Compensation Committee annually reviews and approves, or recommends to the board of directors for approval, the compensation of such executive officers. Additionally, our Compensation Committee annually reviews and approves, or recommends to the board of directors for approval, the compensation of our directors, including with respect to any equity-based plans. The enumerated processes and procedures of our Compensation Committee are included in our Compensation Committee's written charter, which is publicly available on our website at www.acurxpharma.com.

The Compensation Committee's independent compensation consultant during fiscal year 2023 was Pearl Meyer & Partners, LLC ("Pearl Meyer"). Pearl Meyer was engaged by, and reported directly to, the Compensation Committee, which has the sole authority to hire or fire Pearl Meyer and to approve fee

arrangements for work performed. Pearl Meyer assisted the Compensation Committee in fulfilling its responsibilities under its charter, including advising on proposed compensation packages for executive officers, compensation program design and market practices generally. The Compensation Committee has authorized Pearl Meyer to interact with management on behalf of the Compensation Committee, as needed in connection with advising the Compensation Committee, and Pearl Meyer is included in discussions with management and, when applicable, the Compensation Committee's outside legal counsel on matters being brought to the Compensation Committee for consideration. The Compensation Committee consulted with Pearl Meyer in connection with its evaluation of 2023 year-end compensation.

A copy of the Compensation Committee's written charter is publicly available on our website at www.acurxpharma.com.

Director Nominations.

We do not have a standing nominating committee. In accordance with Rule 5605(e)(2) of the Nasdaq rules, a majority of the independent directors may recommend a director nominee for selection by the board of directors. The board of directors believes that the independent directors can satisfactorily carry out the responsibility of properly selecting or approving director nominees without the formation of a standing nominating committee. As there is no standing nominating committee, we do not have a nominating committee charter in place.

The board of directors will also consider director candidates recommended for nomination by our stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). Our stockholders that wish to nominate a director for election to the board of directors should follow the procedures set forth in our bylaws and in "Stockholder Proposals and Nominations for Director" at the end of this proxy statement.

We have not formally established any specific, minimum qualifications that must be met or skills that are necessary for directors to possess. In general, in identifying and evaluating nominees for director, the board of directors considers educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom and the ability to represent the best interests of our stockholders.

Board Leadership Structure

The positions of our executive chairman of the board and chief executive officer are separated, with Mr. Luci serving as our Chief Executive Officer and Mr. DeLuccia serving as the executive chairman of our board of directors. Separating these positions allows Mr. Luci, as our Chief Executive Officer, to focus on our day-to-day business, while allowing the chairman of the board to lead the board of directors in its fundamental role of providing advice to and independent oversight of management. Our board of directors believes that this structure ensures a greater role for the independent directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our board of directors. Our board of directors believes its administration of its risk oversight function has not affected its leadership structure. Our board of directors believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Role in Risk Oversight

Our board of directors oversees the management of risks inherent in the operation of our business and the implementation of our business strategies. Our board of directors performs this oversight role by using several different levels of review. In connection with its reviews of our operations and corporate functions, our board of directors addresses the primary risks associated with those operations and corporate functions. In addition, our board of directors reviews the risks associated with our business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies.

Each of our board committees also oversees the management of our risks that fall within the committee's areas of responsibility. In performing this function, each committee has full access to management, as well

as the ability to engage advisors. Our Chief Executive Officer reports risk management controls and methodologies to the Audit Committee and is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified risks. In connection with its risk management role, our Audit Committee meets privately with representatives from our independent registered public accounting firm and our Chief Executive Officer. The Audit Committee oversees the operation of our risk management program, including the identification of the primary risks associated with our business and periodic updates to such risks, and reports to our board of directors regarding these activities.

Stockholder Communications to our Board of Directors

Generally, stockholders who have questions or concerns should contact our President & Chief Executive Officer at (917) 533-1469. However, any stockholders who wish to address questions regarding our business directly with our board of directors, or any individual director, should direct his or her questions in writing to the Executive Chairman of our board of directors at 259 Liberty Avenue, Staten Island, NY 10305. Communications will be distributed to our board of directors, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of our board of directors may be excluded, such as:

- junk mail and mass mailings;
- resumes and other forms of job inquiries;
- surveys; and
- solicitations or advertisements.

In addition, any material that is unduly hostile, threatening or illegal in nature may be excluded, in which case it will be made available to any outside director upon request.

Other Compensation Policies and Practices

Insider Trading Policy.

Our Insider Trading Policy prohibits directors, executive officers and other "designated insiders" from engaging in most transactions involving our common stock during periods, determined by us, that those individuals are most likely to be aware of material, non-public information. Directors, executive officers and other designated insiders subject to stock ownership guidelines must clear all their transactions in our common stock with the Chief Financial Officer in advance. Additionally, it is our policy that directors, executive officers and designated insiders are not permitted to hedge their ownership of Company securities, including (a) trading in publicly-traded options, (b) selling any security of the Company "short" and

(c) purchasing any financial instruments (including straddles, collars or other similar risk reduction or hedging devices) or otherwise engaging in transactions that are designed to or have the effect of offsetting any decrease in the market value of our securities.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our directors, officers and beneficial owners of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in the ownership of our common stock and other equity securities. Such persons are required to furnish us copies of all Section 16(a) filings.

Our records reflect that all reports which were required to be filed with the SEC pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, were filed on a timely basis, except that Form 4 reports, covering an aggregate of three (3) transactions, were filed late by Robert J. DeLuccia, Robert G. Shawah and David P. Luci.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Our Audit Committee Charter requires all future transactions between us and any director, executive officer, holder of 5% or more of any class of our capital stock or any member of the immediate family of, or entities affiliated with, any of them, or any other related persons, as defined in Item 404 of Regulation S-K, or their affiliates, in which the amount involved is equal to or greater than \$120,000, be approved in advance by our Audit Committee. Any request for such a transaction must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee is to consider all available information deemed relevant by the Audit Committee, including, but not limited to, the extent of the related person's interest in the transaction and whether the transaction is on terms no less favorable to us than terms we could have generally obtained from an unaffiliated third party under the same or similar circumstances. During the fiscal years ended December 31, 2023 and 2022, we have engaged in the following transactions:

Investor Rights Agreements

We have entered into investor rights agreements with the investors who participated in our private placement financings between March 2018 and October 2019, including Messrs. DeLuccia, Luci, Sailer, Scodari, Harrison and Dean. Each such investor rights agreement imposes certain affirmative obligations on us and also grants certain rights to such investors, including certain registration rights with respect to the securities held by them and certain additional rights.

Corporate Conversion

Prior to the IPO, we were operating as a Delaware limited liability company under the name Acurx Pharmaceuticals, LLC. In connection with our IPO, we converted from a Delaware limited liability company to a Delaware corporation pursuant to a statutory conversion and changed our name to Acurx Pharmaceuticals, Inc. (the "Corporate Conversion"). Existing holders at the time of our IPO, including certain 5% security holders, executive officers and directors, of our Class A membership units and Class B membership units, received shares of our common stock as a result of the Corporate Conversion.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers (the "Indemnification Agreements"). Such Indemnification Agreements provide for indemnification against expenses, judgments, fines and penalties actually and reasonably incurred by an indemnitee in connection with threatened, pending or completed actions, suits or other proceedings, subject to certain limitations. The Indemnification Agreements also provide for the advancement of expenses in connection with a proceeding prior to a final, non-appealable judgment or other adjudication, provided that the indemnitee provides an undertaking to repay to us any amounts advanced if the indemnitee is ultimately found not to be entitled to indemnification by us. The Indemnification Agreements set forth procedures for making and responding to requests for indemnification or advancement of expenses, as well as dispute resolution procedures that will apply to any dispute between us and an indemnitee arising under the Indemnification Agreements.

Participation in Our Registered Direct Offering and Concurrent Private Placement

In July 2022, we issued and sold in a registered direct offering (i) an aggregate of 1,159,211 shares of our common stock ("Shares") (consisting of 1,100,000 shares for single healthcare-focused U.S. institutional investor (the "Investor") and an aggregate of 59,211 for David P. PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed CohnReznick LLP, as our independent registered public accounting firm, to audit our financial statements for the fiscal year ending 2024. CohnReznick LLP has served as our independent registered public accounting firm since 2018. Our board of directors proposes that the stockholders ratify this appointment. CohnReznick LLP audited our financial statements for the fiscal year ended December 31, 2024. We expect that representatives of CohnReznick LLP will be present at the annual meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

In deciding to appoint CohnReznick LLP, the Audit Committee reviewed auditor independence issues and existing commercial relationships with CohnReznick LLP and concluded that CohnReznick LLP has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2024.

The following table presents fees for professional audit services rendered by CohnReznick LLP for the audit of the Company's annual financial statements for the years ended December 31, 2023, and December 31, 2022 and fees billed for other services rendered by CohnReznick LLP during those periods.

	2022	2023
Audit fees:⁽¹⁾	161,125	172,650
Audit related fees:⁽²⁾	17,000	55,500
	178,125	228,150

-
- (1) Audit fees consisted of audit work performed in the preparation of financial statements and the review of interim financial statements, as well as work generally only the independent registered public accounting firm can reasonably be expected to provide.
- (2) Audit related fees consisted principally of work associated with the procedures for filing with the SEC in conjunction with financing transactions.

All fees described above were pre-approved by our Audit Committee. We have furnished the foregoing disclosure to CohnReznick LLP.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountant

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of an independent registered public accounting firm for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits and attest services and consultation regarding financial accounting and/or reporting standards.
2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning and tax advice.
4. **Other Fees** are those associated with services not captured in the other categories. The Company generally does not request such services from our independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of CohnReznick LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares cast affirmatively or negatively at the annual meeting is required to ratify the appointment of the independent registered public accounting firm.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF COHNREZNICK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY OUR BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.
